## **11. Three Valleys Beer Festival**

### **128/18-19 RESOLVED**

That this agenda item is withdrawn and revisited at a later date.

## **12. Outside Services Report**

The following tasks have been carried out during the period of 11th August – 21st September.

Litter/Dog Bins - The litter and dog bins continue to be emptied on a weekly basis, this is carried out every Thursday and consists of 2 men doing the whole route, and they also inspect the play areas/equipment at the same time. We have replaced 7 dog bins throughout the Town and have 4 more to replace.

Play Areas - Maintenance continues on the play areas. Cemetery Road play was closed whilst maintenance took place, the Play area is now open. We have moved into Moonpenny to start the refurbishment, the climbing frame has been painted and we will be fitting all new boards and metal panels to the frame. There is still some painting to do and soft surface to repair, which we are getting on with in between other tasks.

Cemetery - The baskets are emptied around the Cemetery on a Monday and Friday. We have been topping up several sunken graves and grass seeding them. We have been keeping the Cemetery maintenance up to a good standard but this week the winds have blown so many branches/twigs and leaves around the Cemetery that we are back to square one and will be back in again to tidy up the place.

Cemetery - The team have been into the Cemetery to tidy up. The grass has been cut again last week and now it is not growing as quick this will be cut maybe once more before the end of season. It takes approximately 3 days for the grass to be cut by using hand lawn mowers and the triple on the large areas, this uses up the 5 men employed within the Outside Services.

Flower Beds – The flower beds have all been emptied of the summer plants and are now waiting for the planting of the winter plants.

Notice Boards - The notice boards have all been cleaned up with the removal of any old and non-charity posters being removed. We have replaced the posts on the notice board next to the Leisure Centre as the winds were about to blow it over. We have started making new boards for the other 3 locations and painting the steel posts for them to be mounted on.

Grass Cutting – Grass cutting around the parks and open spaces in the Town has been cut this week and I think maybe we will be out once more to cut all DTC areas. The areas will be cut on alternate weeks to the cemetery being cut. The triple and tractor will be out cutting all the large open areas and the rest of the team will follow round cutting the play areas and small open spaces with the lawn mowers and strimming areas required.

Weedspraying – We have been out spraying around the MUGA pitch at Cliffe Park and removed all the weeds that were growing around the edge.

Cliffe Park – The outside Services now open the park in the mornings and check the lodge is set up and ready for any users each day. We also visit the park during the day to ensure that the bins are being emptied. The park is now maintained by Outside Services and the maintenance is being done every 2 weeks with the team going in and cutting grass, flower

beds and cutting back any shrubs/hedges when required. We have been round the whole park and edged all the footpaths.

Tree works – There has been some tree works taking place around the Town. Quoit Green has had a tree reduced and cut back from the properties. The large overgrown conifer in Quoit Green has also been felled. Within the Cemetery, four very overgrown 35ft conifers have been removed - a planning application was sent in and approved from NEDDC. There are still five more conifers that require work doing to them.

A couple of large branches came down at Gosforth Close and Sindelfingen Park during the high winds 19th – 21st September, they have also been removed.

Football - The goal posts have been installed at Coal Aston and Dronfield Woodhouse and the football season is now under way.

Other - We have had a reduced workforce due to holiday commitments. Banners removed/replaced on from the front of the Civic Hall when required. Various reports have been actioned around the Town. Maintenance has been carried out on various Council Buildings.

Cllr A. Foster raised a query regarding the noticeboards around town and requested that a comparison is made between the cost of Outside Services repairing the boards or purchasing new ones.

Cllr K. Tait requested that a piece of work be undertaken for Outside Services to establish whether we have the necessary number of employees required and requested that this be referred to the Personnel Committee.

Cllr C. Smith and Cllr. K Burkitt commented about the fencing being removed from Lucas Gardens.

Cllr T. Collins highlighted a missing sign at Sindelfingen Park and bollards and fencing that had been removed from around a piece of play equipment, which hadn't been replaced.
