7. Speed Indicator Devices

Members received an update on the current Speed Indicator Device installations and the future site at Northern Common.

The Road Safety Committee welcome the news that the SID data has shown a low number of speeding vehicles in the areas of installation.

The SID brightness has been improved by the installer.

It was **RESOLVED** to write to the landowner of the hedge at the Bowshaw SID site and request for the hedge growth to be cut back around the SID site.

It was **RESOLVED** to move the site of the Carr Lane SID to a more suitable location, in consultation with the Chair, Dronfield SNT and Bridget Gould at DCC Highways.

It was **RESOLVED** to note the update.

8. Speed Gun Calibration

Members reviewed a request from Dronfield SNT for a rolling yearly agreement for continued calibration of the speed gun.

It was **RESOLVED** for the Assistant Clerk to set up an annual reminder for the required calibration of the speed gun for the April / May Road Safety Committee Meeting.

9. Dronfield Station

Members received an update from Dronfield SNT in relation to safety concerns at Dronfield Railway Station from Dronfield Henry Fanshawe pupils crossing the tracks.

It was **RESOLVED** to note the update.

Members reviewed an update from Lee Rowley's office on the reinstatement of the closed wooden footbridge at Dronfield Train Station.

It was **RESOLVED** to note the update and to recommend to Council to send a letter to Derbyshire County Council voicing the concerns surrounding the safety of school pupils, in relation to the closed wooden footbridge at the train station. The council is requesting a risk assessment is undertaken and steps to replace/reopen the footbridge are taken by DCC as soon as possible, to prevent a serious accident.

10. Sindelfingen Park

Members discussed a resident request with regards to parking on Gosforth Drive.

It was **RESOLVED** to write to the resident and inform them that their concerns had been reported to Dronfield SNT, who will discuss safer parking with the Ice-Cream van.

11. Dronfield Station

Members discussed the following related train station concerns with DCC Highways:

- The refurbishment of the road crossing near the train station.
DCC Highways will carry out a visit to assess the site for refurbishment.
- A review of the designated walking route for Dronfield Henry Fanshawe pupils at the train station.

It was **RESOLVED** to recommend to Council to include within the letter (Agenda Item 9) to DCC that the designated walking route is reviewed as part of the requested risk assessment.

12. Appletree Drive

Members reviewed quotes and options for additional planters at the Appletree Drive site.

It was **RESOLVED** to recommend to Council to accept the quote of £868.21 to purchase two steel planters for Appletree Drive, using grant funding from Derbyshire County Council.

Members discussed the possible installation of bollards at the Appletree Drive junction with DCC Highways and Dronfield SNT.

It was **RESOLVED** not to install bollards at the Appletree Drive site at the present time, but to keep the option open for future consideration.

The Road Safety Committee welcome the news from Dronfield SNT that dangerous parking at Appletree Drive has decreased since the installation of the first set of planters.

13. DCC Highways work awaiting completion
