8. Motion: Proposed by Cllr A Dale & seconded by Cllr A Foster

Cllr M. Foster and Cllr D. Cheetham abstained from voting.

Members discussed the following motion.

Council resolves to write to North East Derbyshire District Council to object to the planning application for 5 x two storey residential dwellings at 62 Hilltop Road, Dronfield (reference 23/00788/FL), on the following grounds:

- The scale, density and appearance of the proposed development is not in keeping with the local area. The adjacent and nearby properties are almost all bungalows whereas the illustrative drawings for these properties suggest they could be as high as three stories. The illustrative pictures also show properties which will be clad, with heavily glazed frontages and the ultra-modern appearance does not looking in keeping with the existing local vernacular or the property types in the surrounding area. The Council also has concerns that 5 substantial detached properties, each with garages or car ports, would represent overdevelopment of relatively small site, when considered against the proportions and garden space around other properties in the area. These issues are contrary to Local Plan policy SDC 12 and Neighbourhood Plan policy D3.
- Owing to the above scale issues, the development could create significant overlooking and privacy issues for neighbouring residents and the Council has concerns that this will not be in compliance with the planning authority's Successful Places guidance.
- As a site which is 0.5ha, Local Plan policy LC2 indicates that affordable housing of 20% would be required, but as far as the Council is aware, this has not been acknowledged in the application, nor any proposals put forward.

--

- Residents have highlighted concerns around the cumulative impact on pre-existing flooding and drainage issues. The application is inconsistent in suggesting the use of soakaways, whereas a supporting survey indicates a soakaway would be unviable. There is a significant concern around the impact of surface water displacement adversely impacting on neighbouring properties on Longacre Road.
- Neighbouring residents have highlighted ecological interest in the site, reporting that it is home to bats, owls, hedgehogs, newts and other species. Local Plan policy SDC4 sets out the Council's clear commitment to protecting and enhancing the District's natural environment.
- There are concerns around land ownership and in particular in relation to the private access road to the south of the plot, which could create issues for construction traffic and drainage solutions. These are well documented in the objection comments of several nearby residents.

207/23-24 RESOLVED

To write to North East Derbyshire District Council to object to the planning application for 5 x two storey residential dwellings at 62 Hilltop Road, Dronfield (reference 23/00788/FL) in relation to the identified issues.

9. Motion: Proposed by Cllr M Foster & seconded by Cllr R Welton

Members discussed the following motion.

Council notes with significant and serious concern the way in which North East Derbyshire District Council has recently established its Local Plan Working Group and specifically that:

- It is not politically proportionate and therefore the main opposition group (and thereby several communities within the District) are significantly under represented.
- The political groups have not been given the freedom to choose their own representatives as is ordinarily the case in any other committee or working group of the Council.
- The formal governance of the group has not been clarified and there are concerns that proper minutes will not be taken nor made publicly available and the meetings will be held behind closed doors. This is contrary to the administration's own stated desire to be open, transparent, accountable and collaborative.

Council resolves to write to the Leader of NEDDC to highlight its concerns and call for the composition and governance of the Working Group to be reviewed to be more politically proportionate and transparent and open.

--

Council also urges NEDDC to commit to early consultation with Town and Parish Councils on all and any proposals which arise out of the Working Group meetings, prior to full public consultation.

Cllr M Foster requested a recorded vote.

Recorded Vote

For: Councillors R. Welton, G. Hopkinson, S. Burkitt (Chair), A. Dale, L. Deighton, A. Foster, M. Foster, A. Hutchinson, P. Jones and M. Emmens.

Against: Councillors G. Baxter, D. Cheetham, L. Coles, Caroline Smith, Christine Smith

Abstentions: None.

208/23-24 RESOLVED

To write to the Leader of NEDDC to highlight its concerns and call for the composition and governance of the Working Group to be reviewed to be more politically proportionate and transparent and open.

209/23-24 RESOLVED

Within the same letter, Council will urge NEDDC to commit to early consultation with Town and Parish Councils on all and any proposals which arise out of the Working Group meetings, prior to full public consultation.

10. Outside Services Report

The following tasks have been carried out during October.

Litter/Dog Bins - The litter and dog bins continue to be emptied on a weekly basis, this is carried out every Thursday and consists of two men doing the whole route. The play areas are also given a visual inspection and anything that requires attention is entered into the play area sheets on return to workshop.
