Outside Services Report

The following tasks have been carried out during June 2024.

Litter/Dog Bins - The litter and dog bins continue to be emptied on a weekly basis, this is carried out every Thursday and consists of two men doing the whole route. The play areas are also given a visual inspection and anything that requires attention is entered into the play area sheets on return to workshop.

Cemetery - The baskets are emptied around the Cemetery on a Monday and Friday and several funerals have been carried out. Outside Services staff have been topping up various graves and cutting the grass and keeping the area tidy.
