

## Cyber Security Awareness Month

Derbyshire County Council are working with Derbyshire Police to support Cyber Security Awareness Month. We will be promoting the following 4 Key Behaviours to the public:

- Strong Passwords and using a password manager
- Multi-factor authentication
- Updating software
- Recognising and reporting phishing

As well as further tailored advice for the intended target audience of each session.

The target audience is different for each webinar:

- **Cyber Security Webinar for the General Public on Friday 20 October from 6.30pm to 7.30pm**
- **Cyber Security Webinar for Parents and Grandparents on Wednesday 26 October from 6.30pm to 7.30pm**
