8. Outside Services Report

The following tasks have been carried out during the month of July and up to 26th August.

<u>Litter/Dog Bins</u> - The litter and dog bins continue to be emptied on a weekly basis, this is carried out every Thursday and consists of 2 men doing the whole route, and they also inspect the play areas/equipment at the same time

<u>Play Areas</u> – The Play areas were reopened on the 6th July. All the play areas had an annual inspection done on Friday 3rd July prior to reopening. Some maintenance was done at Stonelow which had the soft surface repaired. The zip wire at Cliffe Park was out of action for a few days after reopening whilst we repaired the threaded bar on one of the uprights which had snapped inside the wooden column.

Marsh Avenue has had the new play area installed and has been open for the last few weeks. The play area has also had a new fence installed around the play area.

The play areas have had notices put at the entrance to inform the general public off how many users should be in the play area at any one time.

<u>Cemetery</u> - The baskets are emptied around the Cemetery on a Monday and Friday. We have been topping up the graves in each section which takes a bit of time raking out the topsoil and grass seeding; we are half way through with 3 sections being done so far.

<u>Cliffe Park</u> – We have marked out the area around the entrance to the Outside toilets with yellow chevrons to avoid people gathering or waiting outside the toilets, and also marked out lines 2m apart for where the public should wait in the queue waiting to enter the toilets. Notices have been installed informing the public of what measures we have taken to try and keep the toilets covid free area; we are cleaning the toilets every 2 hours as per the guidelines. Hand towel dispensers have also been installed, instead of using the hand dryers.

We have also marked out the area around the kiosk and have yellow lines at 2m apart for where the public should wait in the queue.

Gosforth Lodge has also had notices put up informing the users/public of the measures taken to keep the main hall, toilets and kitchen COVID free. There is a one way system in place for when the hall is used; also the toilets are cleaned every 2 hours.

A hand sanitiser unit has also been installed in the foyer entrance to the main hall.

Cliffe Park – The grassed area in the park are being cut on a fortnightly basis.

<u>Grass Cutting</u> – Grass cutting continues around the Town, at present we are cutting the grass every 2 weeks.

<u>Cemetery Grass Cutting</u> – All the areas within the Cemetery are being cut on a fortnightly basis.

<u>Hanging baskets</u> – The hanging baskets continue to be watered once a week, we have on several occasions watered them twice a week.

The hanging baskets at the Civic are also being watered at the same time.

<u>Flower Beds</u> – The 16 flower beds around the Town have all been deweeded twice in the last 2 months.

<u>Footpaths</u> – The footpaths have been strimmed back and moss killer has been applied to the following locations – Civic Hall around the building, Cliffe Park all footpaths and are around bowling green, Lodge and the outside toilet complex.

We have sprayed the tennis courts with moss killer, once this took hold we then used the mechanical brush on the courts to sweep away the moss; we will also use this on the footpaths within the cemetery.

<u>Cliffe Park entrance</u> – When lockdown was lifted we were experiencing a lot more general public using Cliffe Park, this was due to a lot of play areas in Sheffield still being closed.

DCC had in the previous weeks to play areas being opened taken down the No Parking posts and signs that were along the front of the fence at Cliffe Park.

Cars were then being parked along the front of Cliffe Park to the left and right of the entrance. The parking attendant could not issue parking tickets as there were no signs just a single yellow line. I spoke with Wm Lees and said I would put cones up and down the areas where the parking signs had been removed, to try and stop people parking outside the gates as I was conscious that someone would be injured when leaving the park as you could not see left or right when you exited the park, it is a busy road with lots of arctic trucks moving up and down the road.

It did help putting the cones out, but I did take photos of what it was like with cars parked at entrance and with only cones. I sent an email to DCC explaining what we had to do with the cones and to see why they had removed the signs before double yellow lining the road.

As of two weeks ago the double yellow lines have now been done. It was a task that O/S staff had to put cones out in morning and remove on way back to yard late afternoon.

<u>MUGA Pitch</u> - The MUGA pitch lighting has now been moved from inside the lodge and the on/off switches are now located inside the Staff office. There were 6 faulty lights around the MUGA pitch which were still under warranty and have now been replaced and the faulty ones returned for inspection.

<u>Cliffe Park</u> - The new fuse board and upgrade was completed in the Café part of the lodge before the new occupiers of the café took over.

The boiler in the lodge has been replaced with a new more energy efficient boiler, tested and working ok.

<u>Bus Shelters</u> – There are five bus shelters that require some new glass fitting, these have been ordered and installed in the next few weeks.

<u>Civic Hall</u> – The Civic Hall is now open for use with certain restrictions in place. We have installed notices around the building to inform users of changes that are in place. Notices One in and One out have been put up around the toilets. Hand towel dispensers have been installed in all the toilets. A hand sanitiser unit has been installed in the foyer to the main entrance hall.

<u>Shrubbery/Hedges</u> – The area around Dronfield Woodhouse car park has been cut back up to the bowling green, Dyche Lane and Quoit green are next on the list to be cut back.

<u>Play area Swings</u> – Due to the social distancing we have had to remove certain swings from all the play areas, if the guidelines change we will return the play area swings back to normal.

Other Tasks - Agendas and other DTC material placed on notice boards and are removed when meetings/events have taken place.

Banners removed/replaced on from the front of the Civic Hall when required.

Various reports have been actioned around the Town.

Cllr R Welton requested whether on future reports each park could be listed even if there are no issues with it so that it is clearer where problem areas may be.

100/20-21 RESOLVED

That the Outside Services report is noted.

9. Delegated Decisions

A list of delegated decisions taken during the summer recess were presented to council.

101/20-21 RESOLVED
