Litter/Dog Bins - The litter and dog bins continue to be emptied on a weekly basis, this is carried out every Thursday and consists of 2 men doing the whole route. The play areas are also given a visual inspection and anything that requires attention is entered into the play area sheets on return to workshop.

Cemetery - The baskets are emptied around the Cemetery on a Monday and Friday. Over the festive season the baskets have been emptied more frequently.

Cemetery – The footpaths and roadways have been cleared and grit put down so the public can still access the cemetery during the snow/icy conditions.

Sindelfingen Park – The Outside Services team managed to plant 20 new trees at Sindelfingen Park on Tuesday 29th November.

Bus Shelters – The bus shelters on Gosforth Drive had new glass replaced in both shelters by Shelter maintenance. It was only a few days after the new glass was installed that both the shelters again had the new glass smashed again. At present there is no glass in both shelters and are now waiting on either new glass or polycarbonate panels to be fitted.

--

Banners – All banners around the town advertising the Christmas light switch on were removed.

Gritting – The w/c 12th Dec Outside Services staff were out filling the grit bins around the town. All the bins were topped up and this took both vehicles travelling round both routes and most bins were filled on 2 – 3 occasions. I ordered a further 8 tons of grit from DCC to ensure we still had enough if the weather continued. We still have 16 ton of grit ready for use.

Grit bin – A new grit bin has been placed at Greendale shops.

Notice board – Outside Services staff installed a new notice board in Cliffe Park.

Christmas trees – Outside Services staff going round on a weekly basis to make sure that the ratchet straps holding the trees up are all still tight and adjusted if required.

Fire Training – All staff members attended a fire training course on 7th Dec.

Members received a copy of the minutes from the Cemetery Advisory Committee meeting held on 6th January 2023 and considered the recommendations to council.

251/22-23 RESOLVED

--

To reply to the NEDDC recommendation regarding the future arrangements for the Joint Cemetery Agreement with Unstone Parish Council, with the following points:

- The maintenance contract should be ongoing and not for a period of 50 years.
- The £1500 p.a. (index linked) for the maintenance and upkeep of the cemetery should be £3500 p.a. (index linked) based on the ongoing maintenance and upkeep of the cemetery.
- £1500 p.a. has been roughly calculated from the internments of Unstone residents since 1973. The use of the cemetery for the last 150 years has been a general one covering other communities such as Barlow, Apperknowle, Holmesfield, Chesterfield and Sheffield and as such UPC should not be allowed to divest itself of its historical responsibilities by paying this non-representative figure. The NEDDC proposal would see Dronfield Taxpayers bear an unfair burden for many years to come.

252/22-23 RESOLVED

To accept and implement the recommendations of the Assistant Clerk for the updated Cemetery Regulations.

253/22-23 RESOLVED

To accept the quote of £960 to clear the cemetery drainage system with potential further costs of £110 per ton of waste removal, delegated to the Town Clerk in consultation with the Chair of the Cemetery Committee.

254/22-23 RESOLVED

For two members of the outside services team to attend the SIAM training course for memorial testing, at a total cost of £1,350. The decision for the most cost-effective SIAM training/assessment venues are delegated to the Town Clerk in consultation with the Chair of the Cemetery Committee.
