Dear Parish / Town Councillor

Please see attached information for our course '**Radical Adaptation for Parish & Town Councillors: Creating Green and Resilient Communities**'

In this **online course** you will:

- Get a clear insight on how climate will affect your community on the long and short term.
- Learn how local government structures can play a key role in creating green and resilient communities, through practical and inspirational examples.
- Learn from experts and share experiences with other councillors in small groups.
- Get targeted support to the individual needs of your community.
- Develop a range of ideas that you can implement, and develop an action plan.

Starts in 3 weeks: 11th of October – 3 Wednesday evenings 7-9pm.

Testimonial from participant on last year's course: *"I found this most inspirational. It opened my eyes to find ways and make a plan on how to tackle getting projects moving for climate change."*

Group packages, discounts and bursaries available. See full information here:
