Hi Loran,

I just want to make you aware of some upcoming work in the Civic Centre main car park & the one off Farwater Lane. Northern Power will be carrying out planned trench work around the Civic Centre car parks from 19<sup>th</sup> February 2024 lasting for approximately two weeks to lay an upgraded power supply to the sports centre.

The accompanying plan shows the route of the trench. Please note that during the works some parking bays will be suspended on a rolling basis as the works progress.

If you need any more info let me know & I'll do my best to get it for you.

Kind regards

Mark Rocca
